

## Industry Focus

We recruit primarily for residential, office, and contract furniture companies and related industries. These companies manufacture product at all price points in the following segments:

### Residential

Case Goods  
Upholstered  
Ready-to-assemble  
Casual/Outdoor  
Bedding  
Accessories

### Office/Contract

Systems  
Seating  
Filing  
Desks  
Hospitality  
Institutional  
Healthcare

### Related Industries

Kitchen Cabinetry  
Store Fixtures  
Lighting  
Hardwood Flooring  
Fabric  
OEM Suppliers

Our clients supply their product through many channels of distribution, including traditional "Top 100" furniture stores, "mom and pop" retailers, mass merchants, warehouse clubs, contract dealers, office superstores, catalogs, home centers, the architecture and design community, and the internet.

While the majority of our clients require a candidate to have experience within the furniture industry, we have completed several assignments where talent was hired from world-class organizations outside of the industry.
